

Use your Kroger Plus Card to help Choices earn funds

Choices can earn up to \$1,500 a quarter with no cost to us or to you - all you need to do is shop like you usually do and we earn points when you use your Plus Card - does not effect fuel points or any other discounts or offers to you.

If you have been registered previously, you need to re-enroll by April 30 of this year. If you have not registered, you need to complete the initial short application.

Here's what's new in the Kroger Community Rewards program:

*As of April 1, 2017 you will no longer have to re-enroll your Kroger Plus Card to earn dollars for Choices. Just make sure your current registration is active. You will know that by looking at the bottom of your receipts. It should say you are supporting Choices In Community Living. If it does not, please re-apply for this year.

*If you are not enrolled go to www.krogercommunityrewards.com.

*Click on the Community Rewards link.

*Click create an account.

*Enter your email address; create a password; enter a zip code; select a store from the drop down menu; select Yes, I have a Kroger Plus Card and enter the card number; select the box for coupons if you want; and check the box to agree to terms and conditions; and then click on the box that says "complete registration."

*You will be asked for your organization. Enter either Choices In Community Living or #80367.

*Click Enroll and you should receive a message telling you that you are registered.

Remember:

*You can use your personal Kroger Plus Card when you do your own shopping and it costs you nothing and Choices receives credit for your purchases.

*You can use your personal Kroger Plus Card when you make purchases for your homes or programs. The use of your Plus Card does not have any impact on the way you pay for purchases for your homes or programs. Continue to pay the way you usually do when you shop and just present your Plus Card to the cashier. If you already have another organization receiving credit from your Plus Card, you can switch it over to Choices by re-applying. If you do not want to switch, please contact Geri in the office to see about setting up an account for your homes or programs so we don't miss the opportunity to benefit from home/program purchases.

*If you do not currently have a Kroger Plus card, stop by the Customer Service desk at your store and ask for an application.

*If you do not remember the email or password you used when you previously enrolled, call 877-KRO-PLUS.
